

Senior Civil Engineer

KN Group is an established company who provide consulting civil engineering services to our clients with exceptional professionalism. The team led by the Directors who have earned many loyal and satisfied clients. The continued growth of the business has created an opportunity for an energetic recent Graduate Engineer to join our firm.

The successful candidate will have the opportunity to work for a progressive firm where employee development and retention is a high priority in ensuring a great workplace culture and facilitating our strategic vision in becoming an employer of choice.

What will you bring:

- Degree in Civil Engineering
- RPEQ designation desirable but not required
- Strong accuracy and attention to detail
- Strong analytical, technical written and oral communication skills
- Ability to manage deadlines and client requirements
- A strong commitment to client satisfaction and delivering quality work
- Strong understanding of the construction industry including modern construction techniques.
- Eye for identifying potential issues
- Self-motivated nature, driven to succeed
- Ability to work effectively as a team member
- Experience in 12D and AutoCAD will be highly regarded
- Commitment to Health & Safety in the workplace and the use of safe work systems.
- 7+ years' experience
- Australian Resident or existing Working Visa (essential)

What's in it for you?

At KN we understand the importance of looking after employees. We are committed to attracting, retaining, and working together to develop your talent. We reward our staff and at every level working together to deliver the highest standards in engineering and services provision. In return for your dedication to this role, you will be rewarded with a competitive salary package, an energetic and dynamic team, along with the opportunity to develop your career with a growing and high-performing organisation. KN promotes an Equal Employment Opportunity workplace. If you have the right experience and passion to join this leading property consulting business; please submit your application along with a covering letter explaining why you should be the candidate of choice.

Please send your CV and Cover Letter to recruitment@kngroup.com.au
